

# E-TECHSTORE

Our online shop offers more than 25,000 standard and special products: tools with inserts and solid carbide tools for the cutting tools sector as well as products for wood and stone machining, carbide rods, blanks for slitting knives, products for the tool and die industry and focusing tubes.

Order 24/7 and check availability for all products in real time.

## Everything at a glance

See all important product information at a glance, including STEP files and an overview of all customer-specific online and offline transactions with CERATIZIT. Via the 'track & trace' feature you can view the progress of your order at any time. If required you have the possibility to get in touch directly with your individual contact person.

The screenshot displays the E-Techstore website interface. On the left is a navigation menu with categories like 'TURNING', 'MILING', 'DRILLING', 'SOLID CARBIDE TOOLS', 'RODS P-LINE', 'SLITTING KNIFE BLANKS', 'DIE AND MOLD INDUSTRY', 'FOCUSING TUBES', and 'WOOD WORKING'. The main content area shows a search for 'A271' tools. It includes a technical drawing of a tool, a 'SERVICE NUMBER' box with contact information, and a table of products.
