Configure

CONFIGURATE

Your customised tool

Using the online solution CONFIGURATE, it is possible to configure a customised semi-standard tool with only a few mouse clicks.

Thanks to the new CONFIGURATE tool we are able to offer simple and easy order processing of customised solid carbide tools. You can configure a customised semi-standard tool with just a few mouse clicks in our E-TECHSTORE – 24 hours a day, 7 days a week.

Your customised tool

- Offers and orders of individual tools - as fast and easy as for any standard tool.
- Availability 24 hours a day. Order regardless of business hours, thanks to fully automated processing.
- Easy to use thanks to menu-guided navigation: obtain your individual tool in just a few steps.
- Optimised for tablet PCs and smartphones.
