

What to do:

- Log in as usual with your personal access data at e-techstore.com.
- Choose a basic product from our broad standard programme of solid carbide milling cutters and drills.
- Define your individual tool dimensions using the simple menu.
- The feasibility of your information will be verified at the touch of a button and you will receive scaled prices online for the quantity you require.
- You can see a true-to-scale 3D-model of your configured tool.
- Order your product immediately or receive a quotation.
- Within only a few minutes you will receive an e-mail with an order confirmation or an offer including price and delivery time. A drawing, a DXF-file and a true-to scale STEP volume model for collision analysis will also be sent to you.
