

Introduction

	Catalogue guidelines	B3-B4
	Designation system	B5-B8
	Chip grooves	B9
	Grade overview and description	B10-B18

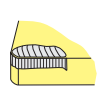

Application

	Overview	B20-B29
---	----------	---------

Types of milling

	Face milling	B32-B108
	Shoulder milling	B110-B172
	Form milling	B174-B191
	Profile milling	B194-B202
	Milling with cassette cutters	B204-B233

Technical information

	Types of wear, corrective measures	B236-B240
	Surface	B241-B243
	Formula collection	B244-B248
	Comparison of materials	B249-B255
	Cutting data	B257-B266
	High speed cutting (HSC)	B267-B275
	Spare parts	B276

Index

	Index	G3
